Commercial Register Court: Munich District Court, HRB 272965
Managing Director: Daniel Hofmeier
VAT ID: DE351011965

- hereinafter referred to as "World of Driving" - The following type of voucher is offered by World of Driving:

Value Vouchers/Multi-purpose Vouchers: The buyer purchases the voucher at the full, individually determined price (minimum value €100) and can redeem it for any service or product.

2. Data Protection

World of Driving uses personal data exclusively for contract processing. Any use for purposes beyond this occurs only if there is consent from the data subject or a legal exception.

3. Jurisdiction, Choice of Law

The jurisdiction for all legal disputes between World of Driving and a commercial customer is the location of World of Driving. German law exclusively applies, excluding the UN Sales Convention.

4. Right of Withdrawal

Consumers have the right to withdraw from this contract within fourteen days without providing any reason. The withdrawal period is fourteen days from the day the buyer or a third party appointed by them, who is not the carrier, has taken possession of the goods. To exercise the right of withdrawal, World of Driving must be informed via a clear statement (e.g., a letter sent by post, fax, or email) about the withdrawal. To meet the withdrawal deadline, it is sufficient that the notice of withdrawal is sent before the withdrawal period expires.

Withdrawals made 14 days after receipt of the voucher are no longer accepted.

5. Validity Period

World of Driving vouchers have a statutory validity of 3 years from the date of issue. Due to the seasonal nature of most products (classic car rentals, summer tours), the end of the season is October 31. After this date, the voucher loses its validity – see also BGB §§ 195 and 199.

6. Redemption

World of Driving vouchers can be redeemed at www.world-of-driving.com by entering the corresponding voucher code into the designated input field when booking a corresponding product. Cash payments are not possible; no change will be given. If a service/product voucher for a specific trip with a fixed date (typically, World of Driving offers trips only for one season, and it is unclear if the same trip will be offered in the following year, and especially at the same price) cannot be redeemed, the value of the voucher will be credited to another trip as a gesture of goodwill. The buyer is responsible for the feasibility of a gift voucher, particularly regarding insurance age approvals and the specific (participation) requirements for each product. World of Driving assumes no responsibility for "displeasure with the gift."

7. Eligibility for Redemption

World of Driving is not obligated to verify the eligibility of a voucher redeemer beyond checking the validity of the redemption code. The voucher holder must ensure that the voucher and/or redemption code does not fall into the possession of unauthorized third parties and inform World of Driving immediately if there is a possibility that this has happened. For vouchers redeemed by an unauthorized person, § 793 Abs. 1 S. 2 BGB applies accordingly.

8. Fulfillment

When purchasing a World of Driving voucher, the place of performance is the location of World of Driving at the time of purchase. When sending a voucher not electronically but in tangible form to the redeemer, the risk of accidental loss and the risk of loss of the dispatched voucher passes to the buyer or redeemer according to § 447 BGB with delivery to the person or institution designated to carry out the dispatch.

9. Multiple Redemptions

Abusive or multiple redemption of a World of Driving voucher will be prosecuted. This explicitly includes attempts at abusive or multiple redemption.

10. Transfer/Resale

Private individuals may give vouchers as gifts or resell them, with World of Driving being obligated to provide the service specified in the voucher to the third party as well.

11. Corporate Customers

Corporate customers are not permitted to resell acquired World of Driving vouchers, neither to private end customers nor to commercial users. Exceptions require written consent from World of Driving.

12. Severability Clause

The invalidity of individual provisions of the travel contract or these General Terms and Conditions does not affect the validity of the entire travel contract.
